I have food allergies or accessibility requirements:

Honey Producers' Day offers simultaneous presentations, with a Mead-related Stream taking place nearby in the Reflections Room (accessible only by a flight of stairs). The Spring Meeting program is designed to allow attendees to flow easily between sessions of interest in either Stream. In order to have an idea of attendance for each stream, please indicate your preferred stream:

Mead Makers

Honey Producers

Ministry of Labour & WSIB Health and Safety Information Session (for beekeepers with workers)
